Honorable Amy Totenburg,

Your honor even though this case has been dismissed I am humbly requesting that my complaint for this cases be sealed. I fear for my safety and the privacy of my family. People have been logging into Pacer, pulling up my complaints and finding my location information. I have been called, text and even sent mail from individuals who told me they got my information from my complaints. Your honor please for the safety of me and my family please seal this complaint from the public. This has caused me severe anxiety and emotional distress.

Best Regards,
